	)	
v.	)	
	)	
MICHAEL DAVID WATSON,	)	
	)	
Defendant.	)	

**MEMORANDUM OPINION**

Before the Court is Defendant’s *pro se* Motion to Reduce Sentence under United States Sentencing Guideline Amendment 821 [Doc. 164].

**I. BACKGROUND**

On January 7, 2020, Defendant pleaded guilty to one count of conspiracy to distribute 50 grams or more of methamphetamine [See Docs. 81, 97]. Based on a total offense level of 31 and a criminal history category of V, Defendant’s guideline range was 168 to 210 months [Doc. 118, ¶ 76]. The Court departed from the guideline range and sentenced Defendant to a term of 140 months [Doc. 153, pg. 2]. Defendant is currently housed at FCI McKean with a projected release date of September 14, 2029. See Bureau of Prisons, <https://www.bop.gov/inmateloc/> (last visited May 10, 2024). He now seeks a sentence reduction pursuant to Guideline Amendment 821 [Doc. 164].

**II. ANALYSIS**

“A district court may modify a defendant’s sentence only as provided by statute.” *United States v. Johnson*, 564 F.3d 419, 421 (6th Cir. 2009) (citation omitted). Relevant here, 18 U.S.C.

§ 3582(c)(2) authorizes a court to impose a sentence reduction when a defendant “has been sentenced to a term of imprisonment based on a sentencing range that has subsequently been lowered by the Sentencing Commission . . . after considering the factors set forth in [18 U.S.C. § 3553(a)] to the extent that they are applicable, if such a reduction is consistent with applicable policy statements issued by the Sentencing Commission.” 18 U.S.C. § 3582(c)(2).

Amendment 821, which took effect on November 1, 2023, altered the application of the guidelines with respect to offenders who earned criminal history “status” points based on the commission of an offense while serving a criminal justice sentence or offenders with zero criminal history points at the time of sentencing (“zero-point offenders”). Composed of two parts, Amendment 821 amended U.S.S.G. § 4A1.1 to reduce or eliminate status points and created U.S.S.G. § 4C1.1 to reduce the offense level for zero-point offenders by two levels. Pursuant to § 4A1.1, status points are eliminated for defendants with six or less criminal history points, and one status point, rather than two, are applied for defendants with more than six criminal history points.

Defendant moves for a sentence reduction under the first part of Amendment 821, U.S.S.G. § 4A1.1. At the time of sentencing, Defendant received two status points for committing the offense while under a criminal justice sentence in Washington County General Sessions Court [Doc. 118, ¶ 46]. If sentenced today, Defendant would receive one status point, resulting in a total of 10 criminal history points rather than 11. But Defendant would still be in criminal history category V and his guideline range would be the same. Accordingly, Defendant is ineligible for a sentence reduction under 18 U.S.C. § 3582(c)(2).

### **III. CONCLUSION**

For the reasons stated herein, Defendant’s motion [Doc. 164] is **DENIED**.

**SO ORDERED:**

s/ Clifton L. Corker  
United States District Judge
